prevents it.

In the cases of linked dwelling, the total payment of 180 monthly instalments (legal price) can be transferred into property after the term of 15 years has elapsed.

In the case of linked dwellings, they can be transferred into property according to the terms established in the one-time purification process.

In the cases of the tenants of linked dwelling that their contract is made for 20 years (240 monthly payments) and they want to continue, their decision is respected and 50% of the legal price is taken into account.

All this documentation must be delivered to the Provincial Administration Group by the legal advisors of the entities subordinated to the Popular Power once the technicians in the municipalities endorse each file.
